

# **Artistry Elite Dance**

## **Studio Procedures-Covid**

### **Arrival Procedure**

We ask that everyone wait in their car until class time. Students cannot be dropped off more than 5 minutes early for class and only to prepare (to put dance shoes on, etc.). Students age 5 and under can be escorted inside to drop off student but we prefer for all to be dropped off at the door. All adults entering building with student must wear a mask AT ALL TIMES while inside. Teachers will be at door to welcome and escort students in. Upon arrival students will be asked to either wash hands or use hand sanitizer before entering the studios.

### **Social Distancing**

Studios have been taped off into 6ft (or more) square spaces for students to dance in. Classes will be contactless. We are able to teach without having physical contact with students and with students avoiding contacting each other. Please remind your student that as much as we would ABSOLUTELY love to hug them we cannot at this time. Also remind them to keep their distance from each other.

### **Masks**

All students age 5 and up will be required to wear a mask for classes. Younger students are welcome to wear one as well if you wish. All staff will have masks on at all times as well. We know that this is new for all of the kiddos and something that we all have to get use to for the time being. We will be giving more breaks than normal as we know it is an adjustment. Please remind them the importance of keeping the mask on during class.

### **Studio Sanitation**

Studios will be wiped down and sanitized between all classes as well as a deep cleaning once a week.

### **Pick Up**

Students must be picked up PROMPTLY after class to avoid any gatherings in the waiting area. Please do not wait in the lobby area for your dancer. We will escort the students to the door for pick up.

### Lobby Area/Dressing Room

Until further notice, parents/guardians will not be allowed to wait in the lobby area to avoid large gatherings. The dressing room will be closed. Please make sure your dancer arrives in their appropriate dance attire and ready to go for class other than changing shoes. All shoes will be left in the lobby area along with any bags. Please do not allow your dancer to bring anything other than what is necessary for class (dance shoes & water bottle labeled with their name).

### Health Monitoring

If your dancer, anyone in your family or anyone that you have been in contact with has any virus symptoms we ask that you PLEASE keep your dancer HOME. We are asking the same from our staff. If any of our teachers have symptoms or have been in contact with anyone that has virus symptoms they will stay home as well.
